Mercer County Titans Cross Country

Cross Country is a sport unlike all others. XC is a long distance running sport in which runners compete on a course over open or rough terrain. The courses used at these events may include grass, mud, woodlands, hills, flat ground and water. There are no timeouts or benches so everyone runs and competes everyday. It is a team sport that also has individual winners. Races will be 1.6-2K for elementary, 3-4k middle and 5k varsity. We will train hard and that distance will seem easy after a few weeks.

Everyone grades 3-12 are welcome! XC compliments all other sports by helping to get into and stay in shape while building endurance. We just make you better! We offer 3 competitive team levels: Elementary (3-5), Middle (6-8) and Varsity (9-12). If ability and times are exceptional a runner may be asked to move up to the next level team. Our varsity runners are routinely at the top of the region and are state qualifiers.

XC begins practice 6:00-7:30 at Anderson Dean Park Hitachi Shelter on July 17.
Season length July-Oct.

KHSAA physicals are required to participate for grades 6-12.
