

Daily Announcements

Parking permits can be purchased in the front office (\$25). Only students with their intermediate can drive. They must fill out form, parent signature, and bring proof of insurance before a tag is issued. MCSH will be ticketing cars in the parking lot who do not have the parking tags in their windows. The \$25 fine will be added to your school fees. This is a reminder if you owe school fees you cannot attend Prom and other school activities.

The Media Center will NOT be checking out additional Chromebook chargers this year. We will only be checking out Chromebooks for the day in the event of an emergency in the mornings BEFORE school begins. If this becomes habitual, this privilege will be denied.

The last day to check books out from the Media Center will be May 12th. All books have to be returned by May 20th.

ESS will be provided every Tuesday & Thursday from 3:30-4:30, snacks and transportation will be available. Snacks will be in the cafeteria from 3:05-3:30. In order to access transportation, you MUST sign up in the guidance office ONE day before you plan to stay for ESS. Otherwise, please have a ride scheduled for pickup at 4:30.

The 2021-22 Yearbooks are in. If you purchased one last year they can be picked up in the front office. If you would like to purchase one they are \$50 (Cash or Check).

Here is the link for anyone wanting to pre order 22-23 yearbooks.

Merger County Titans Cross Country

Cross Country is a sport unlike all others. XC is a long distance running sport in which runners compete on a course over open or rough terrain. The courses used at these events may include grass, mud, woodlands, hills, flat ground and water. There are no timeouts or benches so everyone runs and competes everyday. It is a team sport that also has individual winners. Races will be 1.6-2K for elementary, 3-4k middle and 5k varsity. We will train hard and that distance will seem easy after a few weeks.

Everyone grades 3-12 are welcome! XC compliments all other sports by helping to get into and stay in shape while building endurance. We just make you better! We offer 3 competitive team levels: Elementary (3-5), Middle (6-8) and Varsity (9-12). If ability and times are exceptional a runner may be asked to move up to the next level team. Our varsity runners are routinely at the top of the region and are state qualifiers.

XC begins practice 6:00-7:30 at Anderson Dean Park Hitachi Shelter on July 17.
Season length July-Oct.

KHSAA physicals are required to participate for grades 6-12.

You can join anytime just message Coach McIntyre. Please join the remind page.
